Connaire's Story

Status Employment – Cannington

Before starting with JobTrain, Connaire had a lot of trouble even getting an interview, and he spent most of his free time looking for work and using sites like SEEK. Through Employability Skills Training, JobTrainWA supported and guided Connaire to identify his areas of strength as well as his transferable skills, helping Connaire to find a career path to fit with his personality and life goals. With JobTrainWA's assistance, Connaire is now employed at NoDig Equipment in Maddington, as a Machine Operator.
